

# Visiting the Statfold Barn Railway 2010

The Statfold Barn Railway is a private multi-gauge railway near Tamworth in Staffordshire. It is home to a diverse collection of historic steam, diesel and electric locomotives, among which the products of the Hunslet Engine Company and its absorbed firms are particularly well represented.

Although the Statfold Barn Railway is a private railway it holds a number of Enthusiasts' Days each year. 2010's events will be held on Saturdays 27<sup>th</sup> March, 12<sup>th</sup> June and 18<sup>th</sup> September. For the safety and comfort of all visitors attendance is by invitation only and it is only possible to accommodate guests over 14 years of age. Numbers are limited so please apply early.

To apply for an invitation please complete the form below and send it to **Statfold Barn Railway, The Grain Store, Statfold Barn Farm, Ashby Road, TAMWORTH, B79 0BU**, ensuring that you state the date on which you would prefer to visit and the names and addresses of each member of your party. In order to help cover costs and to support selected charitable causes, each guest is asked to make a donation of £8 at the time of requesting an invitation. Cheques should be made payable to '**Friends of Statfold Barn Steam Railway**'. The Statfold Barn Railway is strictly private and visits may only be made by invitation holders on the dates specified above.

.....  
I would like to visit the Statfold Barn Railway during 2010 on Saturday:  
27<sup>th</sup> March [ ]    12<sup>th</sup> June [ ]    18<sup>th</sup> September [ ]    *(please tick selected date)*
